We offer specialist massages from our highly trained therapist Nicola Garrett. Deep tissue massage: Whole body, or any part in particular need of attention. Gentle aromatherapy: Relaxing essential oils, long fluid strokes. Myofascial: Release the 'issues in your tissues'. Deep work on the fascia surrounding the muscles to release physical and emotional holding patterns that have become habitual.

Massage in Lancaster | England | Exhale

Warm, oiled stones are expertly applied to align and harmonize the chakras (energy centers) of the body. The heat from the stones works in conjunction with traditional massage strokes and helps the essential oils (carefully selected to correspond with each chakra) penetrate deep into the body and induce a profound state of relaxation and well-being.
