### **30 Day Challenge - One of the best ways to develop new habits**

The idea of working 30 hours a week is great and it's proven scientifically. Not only it helps you concentrate on things that u love to do but also it's a proven thing that your capacity to work is actually limited to just 6 hours a day. Which is why till 6 hours u may get by with a maximum break required of 30 min or so but as u continue at the same place u will require more and more breaks to work. I am a Human resource professional with major in psychology and image development.
