### **The Basics of Philosophy: A huge subject broken down into ...**

Philosophy: What is Philosophy. At its simplest, philosophy (from the Greek or *philosophía*, meaning 'the love of wisdom') is the study of knowledge, or "thinking about thinking", although the breadth of what it covers is perhaps best illustrated by a selection of other alternative definitions: the discipline concerned with questions of how one should live (ethics); what sorts of things ...

The Basics. The Basics of being a Gorean kajira or kajirus are much more subtle than the mere acting out various positions and actions. Nevertheless, most of those who are learning to be Gorean are first exposed to the Gorean lifestyle via IRC where a knowledge of positions, etc. is a

fundamental requirement.
