Into Valuable Solutions Business Analysis Essential Library*

The Business Analyst As Strategist

I recently wrote about specialist Business Analyst fields that are hot in the market. Now it's time to talk about their cousins, the hybrid Business Analyst roles. What is a Hybrid Business Analyst? A hybrid Business Analyst is a professional who has knowledge and expertise in another field that complements business analysis.

Five Hybrid Business Analyst Roles In High Demand - Joe ...

Business analysis is a research discipline of identifying business needs and determining solutions to business problems. Solutions often include a software-systems development component, but may also consist of process improvement, organizational change or strategic planning and policy development.
