This 13-week sprint triathlon training plan is ideal for beginners. Before you start this plan, you should have a general level of fitness that allows you to swim a few lengths in the pool, bike for 20 minutes straight, and run for 15 minutes straight.

The Complete Beginner's Guide to Sprint Triathlon Training

We have a complete guide to incubators here. If you are hatching out 'barnyard mixes' and are going to be diligent about temperature and humidity, one of the cheaper circulated air (forced air) incubators may do you very well.

The Complete Beginner's Guide To Hatching Eggs

That said, we need to be careful not to judge the very early prototypes too harshly as the platforms are far from complete. I believe Facebook's recent launch is the beginning of a new application platform for micro application experiences. The fundamental idea is that customers will interact with just enough UI, whether conversational and/or ...
