That's what shopping for a conga or bongo head is like. But don't worry - I wrote this guide to help you get the perfect Latin drum head for your drum! Unfortunately, there's no generic sizing for Conga or Bongo drums. A head that fits one 11" drum, for example, will not necessarily work with another 11" drum.

Choosing Replacement Heads for Your Congas and Bongos

@ PelesTears- I think what you are referring to are conga drums. They are not Jamaican drums; rather they are Afro-Cuban drums. However, they are often part of the percussion set in a reggae band. I have a pair of Remo conga and Bongo drums and they are lots of fun. Sometimes I will get together with friends and we will play a little reggae.
