Embroidery in India includes dozens of embroidery styles that vary by region and clothing styles. Designs in Indian embroidery are formed on the basis of the texture and the design of the fabric and the stitch. The dot and the alternate dot, the circle, the square, the triangle, and permutations and combinations of these constitute the design.

After testing the embroidery threads for the Hungarian Redwork Runner project and making up my mind about the ground fabric, the next step was to cut the linen and prepare it for embroidery.. I have my own little ritual for preparing linen for hand embroidery. Most stitchers have their own way of working through these preliminary steps in preparing their fabric, but for those of you who haven't ...
