The Game Plan: Your Guide to Mental Toughness at Work

THE GAME PLAN has high production values. The editing, sound, lighting, music, and camerawork are of the highest quality, but they serve the story and do not detract from the simple premise that love is more important than fame or fortune. The box office success of THE GAME PLAN is unpredictable. If children see it, they should love it.

Parents need to know that The Game Plan is a cute family comedy that features football violence and pratfalls. Lots of people, including young girls, fall and only get minor injuries, and a parent's death is addressed. Peyton runs away to find her father and ends up in some very mildly perilous situations (being left alone at a club, etc.).
