Accounting vs. Operational Measures Accounting cost figures misleading for

Key Takeaways from the Goal: A Process of Ongoing Improvement

Results Aren't Guaranteed with Outcome Goals. Process goals, on the other hand, are all about the process. They are about doing the right thing, regardless of the outcome, knowing that the right activities will lead you to ultimate victory. A process is entirely under your control. Continuing with the example goal of weight loss,...

Process Goals Vs Outcome Goals: Which Goal Setting Style ...

The "goal" is to make money and anything that brings us closer to it is productive and anything that doesn't isn't. Chapter Six Mr. Rogo sits down with one of his accountants and together they define what is needed in terms of achieving the goal.

Like the outstanding and best-selling business book upon which it is based, The Goal Movie (on DVD, Downloadable or Online streaming through TOC.tv) shares the inspiring story of Alex Rogo, who uses the principles of the Theory of Constraints like bottlenecks, throughput, and flow balancing to transform his mediocre division into a money-making machine.

The Goal Movie - How to Version :: Goldratt Marketing

Takeaway: A process goal is what you will actually have to do to achieve a larger goal. For example, instead of setting a goal to win a boxing title, you might set a goal to keep your hands up throughout an entire boxing match. Process goals will make you a lot more likely to achieve your creative ...
