The Great Big Art History

The history of art focuses on objects made by humans in visual form for aesthetic purposes. Visual art can be classified in diverse ways, such as separating fine arts from applied arts; inclusively focusing on human creativity; or focusing on different media such as architecture, sculpture, painting, film, photography, and graphic arts. In recent years, technological advances have led to video ...

If there is a story that forms the heart of New Atheist bad history, it's the tale of the Great Library of Alexandria and its destruction by a Christian mob. It's the central moral fable of the Draper-White Thesis, where wise and rational Greeks and Romans store up all the wisdom of the pre-Christian ancient world in a single library, treasuring science and reason and bringing western ...
