Once beer-swilling rugby players, my guests on this week’s episode are identical twins Stephen and David, who now make up The Happy Pear. They share their incredible journey into healthy vegan living and talk about their desire to start a health food revolution – with the goal of making healthy food and lifestyle mainstream. It all [...]

If you have a bounty of fresh pears on hand, you can preserve them for year round use by making a lovely fruit butter. This is easy to do (you can even make it with a slow cooker or slow oven) and it's truly a treat that makes a lovely spread or topping to use on all kinds of things (like biscuits, pancakes, french toast and even use it as an ice cream topping).

You all know how much I love 5-ingredient recipes. So when I showed up to small group last weekend and heard my friend, Rachel, mention across the room that she had made a 5-ingredient salsa to share, you'd better believe this food blogger's ears perked up. Once I caught sight of it, with all of ...
