

## *The Havan Book*

### **The Havan Book**

Written in first person, the book is the record of Shiloh, a girl living in Haven Hospital & Halls and unknowing fallacy. She is a Terminal, one affected by the Disease that claims limbs, organs, and memories. However, Shiloh has her memories intact. At first, she is timid, obedient, restrained, and scared.

The Series. In the first book in the series Amber Magic, Larson introduces the reader to the world of Haven. The Sun Dragon gave birth to nine lesser dragons who devoured their parent in order to gain the power that the elder dragon possessed. They fought each other to get the most desired parts of the Sun Dragon,...

Haven was one of my most anticipation reads for 2011 and I'm thrilled to say that it did not disappoint! I LOVED it!! Kristi Cook pens a fantastic debut! It's smoothly paced with a very natural flow to comprehend everything that is going on. This book has everything I look for in a great read.

### **Haven (Winterhaven, #1) by Kristi Cook - Goodreads**

I feel like Haven had the potential to be very awesome, but a good portion of it was just too familiar for me to completely enjoy the book. I've come to expect at least a certain degree of predictability in YA, but I also look forward to seeing how authors can make familiar tropes seem fresh in their story.

Audrey compared the book review section of the Chronicle to the old food and home and garden sections. While they could not determine how many people read the book reviews in the Sunday paper, which has about 145,000 readers, one recent book review only got 25 clicks online. A recent review by Janet Napolitano only got 50 clicks, said Kitty. (She later said some reviews got 200 clicks).
