Early history. By the end of the 7th century BC Sparta had become the most powerful city-state in the Peloponnese and was the political and military hegemon over nearly all of the Peloponnese, with the only challenge to the city being Argos, the next most powerful city-state. Sparta acquired two powerful allies, Corinth and Elis (also city-states), by ridding Corinth of tyranny, and helping ...

Chapter VI Beginning of the Peloponnesian War - First Invasion of Attica - Funeral Oration of Pericles The war between the Athenians and Peloponnesians and the allies on either side now really begins. For now all intercourse except through the medium of heralds ceased, and hostilities were commenced and prosecuted without intermission. The history follows the chronological order of events by ...

The History of the Peloponnesian War

As the preeminent Athenian historian, Thucydides, wrote in his influential History of the Peloponnesian War, "The growth of the power of Athens, and the alarm which this inspired in Lacedaemon, made war inevitable." Indeed, the nearly fifty years of Greek history that preceded the outbreak of the Peloponnesian War had been marked by the development of Athens as a major power in the ...
