Preface. There aren't too many beginners interested in the game of Core War these days. Of course, this is quite natural -- not that many people would consider optimizing assembly code to be fun anyway -- but one reason for the high starting threshold may be the difficulty of finding information on the very basics of the game.

Technological development. In early novels, most parts of the Discworld were technologically primitive, having only medieval levels of development. Advanced items such as the iconograph were made in the Agatean Empire and unknown in Ankh-Morpork. Agatean technologies were mostly imp-powered or otherwise magical; the Empire does not seem to have had many mechanical technologies.
