6 Ways to Make Money on the Internet - 2 Create a Website

You could be paying for more than you need, or getting less than you expect because the wiring to your home simply cannot deliver. The bottom line, according to savings expert Andrea Woroch, is do not pay for more speed than you need. Someone who goes online mainly to check email could make it work with a connection of 1 Mbps rather than the typical offering of 10 Mbps or more.
