The 2010 TIME 100. In our annual TIME 100 issue we name the people who most affect our world. ROBERT PATTINSON by Chris Weitz (director of New Moon). I have to be careful about what I write here because it will be tweeted the moment TIME hits the stands.

### **Robert Pattinson - Keep up to date with his life**

Odes to spring are regularly composed by enamoured worshippers of one of the most outstanding seasons of the year. Tender and energetic, delicate and vivid, spring is the living picture of the beginning of life. The poetry of nature has the irresistible influence on the mood even of the extremely pessimistic or pragmatic personality.

This wine cake has been in the back of my brain for years now! So when I stocked up on vino last week, I made a silent vow I would finally get cracking on it. And I'm so glad I did. Because you guys, this might be the best chocolate cake I've ever had. IN MY LIFE. And if you know me, you know I ...

Glucoza Bar & Terrace. We love nature as much as we love design - especially design with a touch of urban nostalgia. Inspired by the history of the Caro building as an alcohol factory which used glucose, "Glucoza Bar" is hip & neat, just what your sweet tooth needs on a sunny day.

Celebrating Everyday Spirituality. Each Monday I'll post a short reflection, a simple musing on some aspect of spirituality— the everyday kind of spirituality that includes things like walking in the park, slicing an onion for the casserole, caring for a child, studying for an exam, reading a line from scripture, laughing at a joke, or mourning a significant loss.

### **Sunflower Seeds — Celebrating Everyday Spirituality**

The verdict on Valentine's Day is varied and conflicting. People either love it, hate it, hate to love it, or love to hate it. While restaurants may be crowded and public displays of affection seem to be waiting around every corner, we still feel like Valentine's Day is worth celebrating, whether or not you're in a relationship.
