The Plant Lover S Guide

“The time has passed when a few influential people could gather in a room to decide what a city will be. Instead, a city’s future is determined by hundreds of actions taken daily by thousands of people based on what they believe about a city’s future and their role in it.”

Community Lover's Guide

Monstera deliciosa’s iconic, split leaves are so pretty that they’ve been featured extensively in art and design recently, but even more stunning is the plant itself. Also known as a split leaf philodendron, this easy-to-grow houseplant can get huge and live for many years, and it looks great ...

Hello, gardening friends and native plant lovers: I am knee deep in an exciting new project: I'm converting this website into a book--a very large book--. that will be available in print or ebook.

The Wild Garden: Hansen's Northwest Native Plant Database

Plant Proof™ was inspired by Simon’s personal experience living a plant based lifestyle. Prior to transitioning from animal foods to a plant based diet he shared many common fears among men, and many women, in this position:“Am I going to lose muscle?” “Will I gain fat and feel bloated?” “What about my iron?” “Will I get enough protein?”

be detrimental. Stability is key.

Invincible! House Plants For All - Be a plant hero!

The Cast Iron Plant (*Aspidistra elatior*) is an old-fashioned, tough, leathery foliage house plant. It is an ideal houseplant for cooler areas of your house bringing the tropics indoors. In fact, the *Aspidistra* was a favorite indoor plant along with the *Kentia* palm during the Victorian era when houses were anything but bright and airy.

Poems on this page are translated by both Thomas Rain Crowe, from his book, *Drunk On the Wine of the Beloved* and selections from Daniel Ladinsky's translations. Hafiz, a Sufi poet, expressed in poetry love for the divine, and the intoxicating oneness of union with it.

The Ecstatic Poetry of Hafiz - Peaceful River

Tillandsia ionantha are the perfect low maintenance type of plant to include because they stay relatively small (growing just 2 - 4 inches) and require very little water, just douse them every 2 weeks with a spray bottle.. Also, these plants are very easy to adhere to rocks, your dragon's background, and virtually anything else. Also, these plants turn a pink red and even have purple ...
