

The Purchasing Machine

The Purchasing Machine

Welcome to the Purchasing Services website. We hope that our site provides for a customer-focused experience that allows for easier access to the most up-to-date Purchasing information and resources you are seeking.

Home | Purchasing Services

Janome is a globally recognized brand and has expanded into over 100 countries around the world. Distribution occurs through a retail sales channel, and information about where to purchase can be found through their global website. For a user, this means if you require parts, accessories or manuals, you also need to contact a retail distributor for any purchasing needs.
