The Regulators Richard Bachman

The Regulators (novel) The Regulators is a novel by Stephen King under the pseudonym Richard Bachman. It was published in 1996 at the same time as its "mirror" novel, Desperation. The two novels represent parallel universes relative to one another, and most of the characters present in one novel's world also exist in the other novel's reality,...

The Regulators. The peaceful suburban life on Poplar Street in Wentworth, Ohio is shattered one fine day when four vans containing shotgun-wielding "regulators" terrorize the street's residents, cold-bloodedly killing anyone foolish enough to venture outdoors. Houses mysteriously transform into log cabins and the street now ends in...

For a period of eight years in the late '70s and early '80s, a writer named Richard Bachman existed. His novels, the first four published exclusively in paperback, did not find themselves placed at the top of any bestseller lists. Steadily, Bachman managed to attract a small fanbase. Rumors of a ...

The Life and Death of Richard Bachman | LitReactor

Stephen King revives his alter ego Bachman, who "died" in 1985, for a rip-roaringly violent thriller whose main action takes place in little more than an hour and a half. Whew! Ray Olson. King says that The Regulators and Desperation (see below) are companion volumes, like Alice in Wonderland and Through the Looking Glass.

The Regulators by Richard Bachman

This is the prequel to Desperation. Read The Regulators BEFORE reading Desperation. Desperation will make much more sense after reading The Regulators. It is really neat how the dust jackets of the two books match up to make a panoramic picture. If you like Stephen King (he is Richard Bachman) you will like both of these books.
