### **The Rules Of Love Richard**

Richard Jenrette, who co-founded the investment bank Donaldson, Lufkin & Jenrette in 1959, spent four decades on Wall Street. When he died last week from complications of cancer at the age of 89, he left behind on his desk 24 rules to succeed — in finance, and in life. The list, titled “What I Learned,” was shared Sunday at an intimate memorial service for family and local friends in ...

Richard Templar is the pen name of a British author who has written several self-development books. He shares his "path to success" in a series of books, in which 100 simple "Rules" are presented to achieve success: be it in business, money, or life in general. Rules are typically presented on two pages, making the books easy to read, and suitable for dipping into at random.

As Paul Robinson observes in his essay "The Philosophy of Punctuation" (in Opera, Sex, and Other Vital Matters, 2002), "Punctuation has the primary responsibility of contributing to the plainness of one's meaning. It has the secondary responsibility of being as invisible as possible, of not calling attention to itself."
