Welcome to the Daily Script, a collection of movie scripts and screenplays to serve as a resource for writers and actors and those who simply enjoy reading movie scripts. The movie scripts are presented in proper script format (for the most part) and where possible, multiple drafts are presented. A movie script will be featured daily, (hence the name Daily Script).

Anyone can change their life if they change the stories they tell themselves. My name is Lori Deschene, and I'm the founder of Tiny Buddha. I created this course with my partner, screenwriter Ehren Prudhel, because I know what it's like to live in regret and feel powerless and stuck because of it.. I spent the majority of my life dwelling on events from the past that seemed unfair and choices ...

Transactional analysis (TA) is a psychoanalytic theory and method of therapy wherein social transactions are analyzed to determine the ego state of the patient (whether parent-like, child-like, or adult-like) as a basis for understanding behavior. In transactional analysis, the patient is taught to alter the ego state as a way to solve emotional problems.

TED Talk Subtitles and Transcript: At the end of our lives, what do we most wish for? For many, it's simply comfort, respect, love. BJ Miller is a hospice and palliative medicine physician who thinks deeply about how to create a dignified, graceful end of life for his patients. Take the time to savor this moving talk, which asks big questions about how we think on death and honor life.
