"The Secret Handshake, Kathleen Reardon's new and most important book, takes "organizational politics" out of the closet and illuminates the darkness surrounding that topic. It is an extremely original, brave, and useful book about the social etiquette of modern bureaucracies-i.e. how to get things done through people.

There are no secret handshakes in Freemasonry. Some degrees, however, do have grips which are part of the 'modes of recognition'. These are considered secret because they are a way to tell whether the other person has received the same degree. It should be noted that 'grips' are NOT the same thing as handshakes.
