SEWING BOOKS - Palmer Pletsch Sewing Workshops, Patterns ...

The presentation of this sewing book is amazing. The concepts are easy to follow and this book is thick with materials to learn. I really know following the step-by-step guides. I do recommend this book for any new sewers out there or any veterans who wants to refresh their techniques!

The Sewing Book: Over 300 Step-by-Step Techniques ...

Books are a great method for learning the ins and outs of sewing. Books will not only give you photo references for mastering each step, but also give written guides to refer to whenever needed. Having your grandma or mom teach you the art of sewing is great, but a book allows you a solid reference guide to look back on time and time again.
