About The Spirit Level. Groundbreaking analysis showing that greater economic equality-not greater wealth-is the mark of the most successful societies, and offering new ways to achieve it.

The Spirit Level: Why Greater Equality Makes Societies ...

The Spirit Level is a very analytical approach to the topic of income inequality that is presented in an understandable format. The first couple chapters set the scene in describing the difference between wealth and inequality and how our success in getting things may actually be setting up cultural failure.

Amazon.com: The Spirit Level: Why Equality is Better for ...

A fellow progressive friend of mind recommended that I read The Spirit Level: Why Greater Equality Makes Societies Stronger by Richard Wilkinson (Author), Kate Pickett because it dealt with inequality and how it explains most of our societal problems which sounded very interesting. After tearing through it over the last day or so I just finished reading it and, wow, was that an amazing and ...

Read: The Spirit Level: Why Greater Equality Makes ...

Although they argue vigorously that bad outcomes are generated because inequality makes us anxious and stressed, there is rather little in The Spirit Level that would dissuade one from the alternative view that high-inequality societies fare poorly because (a) they tend to have lots of poor and disadvantaged people, and (b) poor and ...

The Spirit Level: Why Greater Equality Makes Societies ...

The Spirit Level Summary. Inequalities erode "social capital", that is, the cohesion of a society, the degree to which individual citizens are involved in their society, the strength of the social networks within it, and the degree of trust and empathy between citizens.

Closing the Gap » The Spirit Level Summary

The Spirit Level: Why More Equal Societies Almost Always Do Better 4.12 · Rating details · 4,407 Ratings · 432 Reviews. A groundbreaking work on the root cause of our ills, which is changing the way politicians think.

The Spirit Level: Why More Equal Societies Almost Always ...

The Spirit Level authors: why society is more unequal than ever. The Equality Trust calculates that the richest 100 people in Britain now have as much wealth as the poorest 30% of households. The top-to-bottom pay ratios of around 300:1 in the FTSE 100 companies is not diminishing.

Review: The Spirit Level by Richard Wilkinson and Kate ...

'Might be the most important book of the year.' Guardian (UK) 'Fascinating and deeply provoking . . . The Spirit Level does contain a powerful political message. It is impossible to read it and not to be impressed by how often greater equality appears to be the answer, whatever happens to be the question.

The Spirit Level: Why Equality is Better for Everyone ...

In Part Three, 'A Better Society', the authors outline strategies that could be used to promote greater economic equality. They emphasize that how a society becomes more equal is less important than the fact that it actually does become more equal. The Spirit Level is an interesting and convincing book.
