### **The Trials Of Socrates Six**

The Socrates of Aristophanes is a somewhat silly sophist (in fact, Socrates later referred to this play as his first trial in Athens). The Socrates of Xenophon, on the other hand, is practical and conservative. By including all three authors, Reeve has done a great service for those interested in Socrates.

By Socrates' own reckoning he was put on trial twice in Athens: once on the comic stage in Aristophanes' *Clouds*, and once in the King Archon's court by a jury of five hundred or so of his peers (Plato, *Apology* 18a7-b1). Of the second trial—or more accurately of the speech of defense Socrates made at it—we possess two supposed versions.

The most likely reason for this trial is Socrates' close association with a number of men who had fallen out of political favor in Athens. But because an amnesty had been declared for political offenders, other charges had to be brought against him. Socrates was found guilty by a narrow margin and then sentenced to death.

In 399, Socrates was brought before a jury of around 500 Athenians on charges of not recognizing the gods recognized by the state, of inventing new deities, and of corrupting the youth of Athens. The most likely reason for this trial is Socrates' close association with a number of men who had fallen out of political favor in Athens.
