Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

The Turning Point By Nikita

It's held together by a deadly beautiful assassin called Nikita who's trying to climb out of a sinful past of soul-damning acts by turning on the secret government agency that created her. Sinister conflict and great fight scenes are part of most episodes, but it is the strong characters and superb storytelling that made the first season such a ...
