Fighting for the Union. Nearly 20,000 women worked more directly for the Union war effort. Working-class white women and free and enslaved African-American women worked as laundresses, cooks and “matrons,” and some 3,000 middle-class white women worked as nurses. The activist Dorothea Dix, the superintendent of Army nurses,...

Military service. About 400 of them died in that war. Over 2,800 women served with the Royal Canadian Army Medical Corps during the First World War and it was during that era that the role of Canadian women in the military first extended beyond nursing. Women were given paramilitary training in small arms, drill,...

Women in war. Some women (especially in the Soviet Union, Germany, and Britain) were assigned limited combat roles, especially in anti-aircraft units, where they shot down enemy bombers while at the same time being safe from capture. Underground and resistance movements made extensive use of women in support roles.

The Star Wars franchise is one of the biggest in the history of the world (granted, we've only been making movies 100 or so years, it's not like they watched them in Ancient Greece) but for a film

series that, with the inclusion of Rogue One, now can claim eight films, there has been a disturbingly small amount of women in the films.
