Theatre Brief Version 9th Edition

Medieval theatre encompasses theatrical performance in the period between the fall of the Western Roman Empire in the 5th century and the beginning of the Renaissance in approximately the 15th century. Medieval theatre covers all drama produced in Europe over that thousand-year period and refers to a variety of genres, including liturgical drama, mystery plays, morality plays, farces and masques.

The history of theatre charts the development of theatre over the past 2,500 years. While performative elements are present in every society, it is customary to acknowledge a distinction between theatre as an art form and entertainment and theatrical or performative elements in other activities. The history of theatre is primarily concerned with the origin and subsequent development of the ...

NB - I have where possible given the dimensions of the studios. This can be a bit of a minefield. The BBC's studios, Fountain, Teddington, Riverside and even Pinewood TV always had their plans drawn in metric 50:1 but for some reason The London Studios (LWT) still used the 1/4 inch to the foot scale until 2014.
