This is one of the best-selling self-help books of all time. Written during the Great Depression, against a backdrop of millions of people out of work and a looming world war, Napoleon Hill's magnum opus held out hope that life could get better. While not considered part of the New Thought movement, Hill drew on many of their concepts and techniques.

Oliver Napoleon Hill (born October 26, 1883 - November 8, 1970) was an American self-help author. He is known best for his book Think and Grow Rich (1937) which is among the 10 best selling self-help books of all time. Hill's works insisted that fervid expectations are essential to improving one's life. Most of his books were promoted as expounding principles to achieve "success".
