### **Three Balls Of Wool**

Three Balls of Wool. In search of a freer place where every child can go to school, a family moves from Fascist Portugal to Communist Czechoslovakia. Different as this new country is, however, it is far from ideal. In this new, gray world, the lack of freedom is felt in the simplest things, such as the colors one can and cannot wear.

### **Three Balls of Wool by Henriqueta Cristina - Goodreads**

The buildings are gray boxes, and all the children wear monotone orange, green, or gray sweaters that are knit in one pattern. The mother, beset by the sameness, has a solution. She unravels the wool and mixes up the colors and stitches, knitting different and eye-catching designs.

Get this from a library! Three balls of wool (can change the world). [Henriqueta Cristina; Yara Kono; Lyn Miller-Lachmann] -- Exiled from their homeland, a young girl and her entire family are unhappy about the monochrome sweaters all children wear until Mom decides to make a change. Includes facts about Portugal's history ...

### **Three balls of wool (can change the world) (Book, 2017 ...**

Finally, Three Balls of Wool is based, per the Afterword, on the experiences of a family who fled Portugal during its dictatorship with its lack of education and inequality and settled in egalitarian, Communist Czechoslovakia. The imagery is a stark reminder that there was a price for this equality, but through creativity, change was possible there, too.
