### **Through The Third Eye Third**

The Third eye chakra is associated to the pineal gland in charge of regulating biorhythms, including sleep and wake time. It's a gland located in the brain that is a center of attention because of its relationship with the perception and effect of light and altered or "mystical" states of consciousness.

Third Eye Blind is an American rock band formed in San Francisco in 1993. The songwriting duo of Stephan Jenkins and Kevin Cadogan signed the band's first major-label recording contract with Elektra Records in 1996, which was later reported as the largest publishing deal ever for an unsigned artist. The band released their self-titled debut album in 1997, with the band largely consisting of ...

### **Third Eye Blind - Wikipedia**

The third eye is a spiritual concept that refers to a person being able to achieve perception beyond ordinary sight. Also known as the 'inner eye', it is the gateway to inner realms and states of higher consciousness, beyond the physical world.

### **21 Step Third Eye Meditation Technique - Binaural beats**

What is the Third Eye? The third eye is rooted in the pineal gland. While the pineal gland might be the focal point for the sixth sense, the third eye is actually much more than just training yourself to connect to the pineal gland.
