25 Best Superman Comics and Graphic Novels Brainiac. "Your greatest power isn't being able to fly or see through walls. The Mighty One. "Like the 'Golden Fleece' of ages past, the suit of 'Mighty One' awaits... waits... The Curse of Superman. The dotted line. You won't regret this." The most ...

25 Best Superman Comics and Graphic Novels - IGN

3. All-Star Superman There hasn't been a writer/artist team in comics like Grant Morrison and Frank Quitely since... well, since the aforementioned Moore/Gibbons, frankly.

Top 10 Superman stories | Den of Geek

Action Comics #6 (1938) Action Comics is the comic book series that started it all. It's the first comic to have Superman, but it's an anthology comic. That means there were a bunch of stories in it. Most of the early issues didn't have Superman on the cover, so this comic isn't worth as much as others.
