2 pages 4-5 the context pages 6-7 the nexus between agriculture and poverty reduction pages 8-9 not only agriculture: the multiple pathways out of poverty

Ending poverty and hunger by - Food and Agriculture ...

Poverty is the scarcity or the lack of a certain (variant) amount of material possessions or money. Poverty is a multifaceted concept, which may include social, economic, and political elements. Absolute poverty, extreme poverty, or destitution refers to the complete lack of the means necessary to meet basic personal needs such as food, clothing and shelter.

More than ever before, Pacific firms are moving online. Will this increase e-commerce? This online activity is particularly good news in 2016, as the Pacific has witnessed an 8.2% jump in tourism arrivals. According to Pacific niche exporters, tourists constitute the majority of their overseas customers, often by visiting the seller's website after they return home to seek out more information ...

Going digital in the Pacific: lessons from Samoa's online ...

Hypermobility travelers are "highly mobile individuals" who take "frequent trips, often over great distances." They "account for a large share of the overall kilometres travelled, especially by air." These people contribute significantly to the overall amount of airmiles flown within a given society. Although concerns over hypermobility apply to several modes of transport, the environmental ...

Four visions were developed on the assumption of worst case climate change (). We chose to build pathways under worst case climate change considering that preparedness for transformative climate change would build robust options for an uncertain future (Smith et al., 2011). Stakeholders discourses were remarkably convergent, defining the Seeds of Hope vision, which is congruent with political ...
