Trading cryptocurrency can be very similar to going to the casino. You know there is a chance that you might win big, but you also know that the house usually wins. ... What to Read Next. Three ...

Three benefits of trading cryptocurrency - finance.yahoo.com

Coinbase is preparing to usher in a new era of crypto trading. The U.S. crypto exchange announced Wednesday that its OTC trading desk will now complete trades directly from cold storage, aiming to address concerns about moving funds out of custody to trade. The move means Coinbase Custody clients will no longer need to transfer [...]
