how they can protect themselves by de-escalating potentially violent situations. Specific scope of this training manual This manual was purposefully defined around the notion of the moral integrity of the personnel in health care facilities, from the individual perspective, as opposed to a global rights-based approach that would apply for all.

TRAINING MANUAL - rodekors.no

The training manual complements Caring for Volunteers: A Psychosocial Support Toolkit, which focuses on the well-being of volunteers in situations of crisis or catastrophe. The goal of the two-day ...
