You often hear that your resume should list your accomplishments, not your job duties.. And it’s true—accomplishment statements are the best way to showcase the amazing things you’ve done at

your past jobs, plus show prospective employers what you can do for them.

How to Turn Resume Duties into Accomplishments - The Muse

Transmutation is the act of changing a substance, tangible or intangible, from one form or state into another. To the alchemists of old, this meant the conversion of one physical substance into another, particularly base metals such as lead into valuable silver and gold. To the modern scientists, this means the transformation of one element into another by one or a series of nuclear decays or ...

Dream Moods Dream Themes: Numbers

The Beat Generation. In American in the 1950s, a new cultural and literary movement staked its claim on the nation's consciousness. The Beat Generation was never a large movement in terms of sheer numbers, but in influence and cultural status they were more visible than any other competing aesthetic.
