Fortnite addiction sending kids to gaming rehab

Some desperate parents have sent their kids to rehab. READ: Sony boosts outlook as PlayStation heads for record year "This game is like heroin," said Lorraine Marer, a British behavioural specialist who works with kids battling game addiction.

Fortnite addiction is forcing kids into video-game rehab ...

Do not, under any circumstances, let your loved one stay in this home!! My husband was sent by the V.A. for long term care/rehab and ended up back in the hospital with numerous infections due to the haphazard, inappropriate and complete lack of infection control for his bedsores (which were almost healed when he got there).
