At Stanley Consultants, our urban designers specialize in the art of creating memorable places where people gather, pass through, visit and play. It is the creative planning and design, provided by our land planners, engineers and landscape architects, of the cities and towns we inhabit; specifically, the interface of buildings and streets and the spaces in between.

Urban Design and Land Planning by Stanley Consultants

Urban Design Partners is a group of energetic, productive and visionary land development design consultants dedicated to our clients and successful projects. The UDP team includes creative land planners, landscape architects, civil engineers, advisers, collaborators and development advocates. We are passionate placemakers, thinkers, strategists and believe every project should be memorable and unique.
