Saga is an epic space opera/fantasy comic book series written by Brian K. Vaughan and illustrated by Fiona Staples, published monthly by the American company Image Comics. The series is heavily influenced by Star Wars and is based on ideas Vaughan conceived both as a child and as a parent. It depicts a husband and wife, Alana and Marko, from long-warring extraterrestrial races, fleeing ...

Critical thinking is the analysis of facts to form a judgment. The subject is complex, and several different definitions exist, which generally include the rational, skeptical, unbiased analysis, or evaluation of factual evidence. Critical thinking is self-directed, self-disciplined, self-monitored, and self-corrective thinking. It presupposes assent to rigorous standards of excellence and ...

This is amazing information and I thank you so much for your hard work for everyone here! But for someone like me who's looking for the full moon dates to add to her calendar, and needs to be accurate about the dates (for religious holidays, etc), you're missing a very important piece of information (unless I'm just not seeing it on this page).

Welcome to my page of quotations for Groundhog Day. Over the years I've spent so many hours digging around (ha!) lots in old books trying to find as many quotable references to the day as I can

and I've managed to unearth (giggle) quite the collection of vintage verses and excerpts, with a few modern ones as well. Okay, ready to get to the quotes? Gopher
