(VORP) is a special mode of conflict resolution between victims and offenders. It has appeals to both parties. Face-to-face encounter is the essence of the VORP process. Mediation and reconciliation make offenders accountable and responsible for their criminal acts and also committed to recompense their victims' damages.

The Impact Of

A victim impact statement is a written statement from a victim that describes the physical or emotional harm, property damage or economic loss which the victim of an offence has suffered. The Court must take the statement into account when an offender is sentenced.

Victim impact statements -

Get Free Victim Meets Offender The Impact Of **Canadian Victims Bill of Rights**

During the mediation session, the victim and offender discuss the crime and its impact on their lives. They devise a plan for the offender to make amends. This program began in 1989 as a relatively small program. Today, it represents the largest victim-offender mediation program in North America.
