

Visual Intelligence How We Create What We See

Visual Intelligence How We Create

Thanks for taking the time to read my thoughts about Visual Business Intelligence. This blog provides me (and others on occasion) with a venue for ideas and opinions that are either too urgent to wait for a full-blown article or too limited in length, scope, or development to require the larger venue.

Visual Business Intelligence - Perceptual Edge

Visual-Spatial Intelligence. Leonardo Da Vinci and I.M. Pei are famous people with high visual-spatial, or visual, intelligence. In other words, they possess the ability to visualize the world ...

As we think about the future of technology, it resides in the notion of intelligence. At Microsoft, we have an approach that's both ambitious and broad, an approach that seeks to democratize Artificial Intelligence (AI), to take it from the ivory towers and make it accessible for all.

Democratizing AI - Stories

Order-driven manufacturing is complex enough and companies don't want to guess every time they quote a price on a job. Manufacturers need to see at a glance, the impact of every order, constraint, and bottleneck in the organization, so that they can manufacture at a level of speed and efficiency

that makes the best use of the resources they have.
