Waking Up: A Guide to Spirituality Without Religion by Sam ...

Waking Up A Guide to Spirituality Without Religion. There is no discrete self or ego living like a minotaur in the labyrinth of the brain. And the feeling that there is—the sense of being perched somewhere behind your eyes, looking out at a world that is separate from yourself—can be altered or entirely extinguished.

As you know, waking up early has nothing to do with the alarm clock, but it has everything to do with these elements: The biggest thing you need to know is that you will have to sacrifice a lot, particularly in the first month. And you have to be prepared for it. You will have to pass on a couple of parties, you will experience energy drops and your productivity will suffer, at least in the beginning.
