

Weather Forecast Mountaineering

Weather Forecast Mountaineering

The Yorkshire Dales forecast region will now also include the North Pennines, previously attached to the Lake District area, to better serve walkers following the route of the Pennine Way northwards beyond Swaledale and Middleton-in-Teesdale.

Welcome to the Mountain Weather Information Service

Mountains can be inhospitable and dangerous places for the ill prepared. From one hour to the next, from one hill to the next, they can exhibit a dramatic variation in weather conditions. Whether it's a well-planned expedition or a spur of the moment decision to go to the hills, it is important to ...
