"Welcome to the Jungle" is a story set in the world of the Dresden Files, immediately prior to the events of Storm Front. Drawn by the tremendously gifted newcomer Ardian Syaf, I can honestly say that the representation of the characters found here is very, very close to the images of them that exist in my head.

Welcome to the Jungle is a prequel story to the Dresden Files, showing one of Harry's earlier cases for Murph. The story is a little thin, but interesting nonetheless. The illustrations of Harry and the other characters are in line with my own imaginings, although the wizard is a little sterner-looking than he might be.

For those who might otherwise miss this, Welcome to the Jungle is a graphic novel, meaning it's a comic (actually 4 comics compiled into one book). It's not kid stuff, however; it's a prequel to the Dresden Files series. The artwork is gorgeous, the narrative (especially Harry's trademark wit) is snappy, and the story flows fast and furious.
