Intermittent fasting involves giving up food for a specific period of time per day or week. I tried the 16/8 intermittent fasting method, where I ate normally for eight hours and then fasted for 16.

I tried intermittent fasting for 10 days - Business Insider

Scheduled half days do not count toward the required 180 days of session Effective through the End of the 2017-18 School Year: Based on recent reviews of school district calendars, and to ensure students receive the instruction time they need to succeed, the NYS Education Department has determined a need for clarification regarding half days and the required minimum 180 days of session.

NYSED: State Aid Scheduled 'half days' do not count toward ...

The average number of days goods remain in inventory before being sold. As a measure of short-term sales potential, a number above the industry norm indicates problems with sales forecasts. And a number below the norm indicates loss of sales due to the company's inability to fulfill demand. Also called days cover, stock cover, days of inventory, or days sales to inventory.

inventory days - Online Business Dictionary
