When whiskey is aged some of the liquid in the barrels is lost to evaporation, this is called the Angel's Share, but some soaks into the wood and stays there. Beam has coined this the Devil's Cut; which is where the whiskey gets its name. So how does Jim Beam go about creating their Devil's Cut ...

Bourbon whiskey / b ɜːr b ən / is a type of American whiskey, a barrel-aged distilled spirit made primarily from corn. The name ultimately derives from the French Bourbon dynasty, although the precise inspiration for the whiskey's name is uncertain; contenders include Bourbon County in Kentucky and Bourbon Street in New Orleans, both of which are named after the dynasty.
