George Washington's Mount Vernon is the historic home of George and Martha Washington, located 13 miles south of Washington, DC. Guests can see the historic mansion, stately rooms, and outbuildings preserved to the year 1799, the last year of George Washington's life. Owned and operated by the Mount Vernon Ladies Association, George Washington's Mount Vernon has been visited by world ...

## George Washington's Mount Vernon

George Washington is often called the "Father of His (or Our) Country." He not only served as the first president of the United States, but he also commanded the Continental Army during the American Revolution (1775-83) and presided over the convention that drafted the U.S. Constitution. The U.S. capital is named after Washington—as are many schools, parks, and cities.
