CFA level 1 exam is the first of the three-tier tests we need to go through in the CFA Program. It involves basic knowledge and comprehension questions focusing on investment tools, and some questions will require analysis.

CFA Level 1 Weights, Date, Pass Rates + All You Need to Know

By Sophie It's the time of the year again - the month right before CFA exams... it's crunch time! This is the month that matters, where you turn from zero to hero through doing the iterative cycle of PRACTICE (x 100), discovering gaps in your knowledge, and removing that gap with final revision to make sure you never repeat the same mistake again. So, how many practice papers should one aim for?

Narcissism is the pursuit of gratification from vanity or egotistic admiration of one's idealised self image and attributes. The term originated from Greek mythology, where the young Narcissus fell in love with his own image reflected in a pool of water. Narcissism is a concept in psychoanalytic theory, which was popularly introduced in Sigmund Freud's essay On Narcissism (1914).

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.
