By Rebecca Solnit. A recent essay by Allison Meier notes that there are only five statues of named women in New York City: Joan of Arc, Golda Meir, Gertrude Stein, Eleanor Roosevelt, and Harriet Tubman, the last four added in the past third of a century. Until 1984, there was only one, the medieval Joan in Riverside Park, installed in 1915.

Ok, guys, here goes: Woman in 1405 has crazy philosophical fever dream, meets three mythological women, builds an entire city from scratch with her bare hands, populates said city with female ghosts (plus the Virgin Mary for good measure), proves that women are as good as men, does a victory dance.. For real, this is what The Book of the City of Ladies is about.

Each woman chosen by the Virtues to live in the city acts as a positive example for other women to follow. These women are also examples of the positive influences women have had on society. Christine asks the virtues if women should be taught as men are and why some men think women should not be educated.

Author David Gillham's debut novel, City of Women, has an interesting premise: in WWII Berlin, the city is filled mainly with women, as the men are off to war. I found the thought intriguing, a city where the women went to work, kept the home fires burning, but also actively supported the cause of war.

City of Women (Italian: La città delle donne) is a 1980 Italian fantasy comedy-drama film written and directed by Federico Fellini. Amid Fellini's characteristic combination of dreamlike, outrageous, and artistic imagery, Marcello Mastroianni plays Snàporaz, a man who voyages through male and female spaces toward a confrontation with his own attitudes toward women and his wife.

City of Women - Wikipedia

In this book, written in 1405, the author is given examples (by Lady Reason, Lady Rectitude and Lady Justice) to help erect a 'city of ladies'. In part it is a metaphor of the city being built up of the reputations of great women, but it is also meant to be peopled with great and virtuous women too.
