Purpose of Work-Based Learning. Work-based learning is a critical component of the national career pathways discussion. Attaining post-secondary placement and employment opportunities in high-growth, high-demand, high-wage fields is necessary for the continued growth of the local, state, and national economy.

### **Section I: Introduction to Work-Based Learning**

What is Learning at Work Week? Learning at Work Week is a unique annual event to build learning cultures at work. It aims to put a spotlight on the importance and benefits of continual learning and development.

### **Learning at Work Week 2019 | Campaign for Learning**

Learning is the process of acquiring new, or modifying existing, knowledge, behaviors, skills, values, or preferences. The ability to learn is possessed by humans, animals, and some machines; there is also evidence for some kind of learning in some plants. Some learning is immediate, induced by a single event (e.g. being burned by a hot stove), but much skill and knowledge accumulates from ...
